Corporate policy statement regarding export controlled goods

sInfraRed Pte Ltd is well aware of the importance of the Strategic Goods Control Act and will follow the Strategic Goods Control Regulations, stated in the Handbook on the Strategic Trade Scheme (STS), last updated on 1st October 2023, and other related Singapore legislations.

All current products are strictly screened and classified according to the product code list for goods controlled under the Strategic Goods Control Act. For all future products, the same procedure will be followed.

sInfraRed Pte Ltd guarantees that no sales or transfers will be made in violation of the Strategic Goods Control Act and its regulations and other related domestic legislations. All the commercial activities of sInfraRed Pte Ltd will follow the above-stated rules. This mission will be explained to all customers as well as to all sInfraRed employees. Any question on the legitimacy of a transaction will be referred to the strategic goods control officer within 4 calendar days.

All sInfraRed employees have to comply with SGCA. If any employee is found to be non-compliant, sInfraRed will end the employment contract.
